

**197—1.14(17A,22) Personally identifiable information.** This rule describes the nature and extent of personally identifiable information that is collected, maintained, and retrieved by the agency by personal identifier in record systems as defined in rule 1.1(17A,22). The savings and loan division does not currently have a data processing system which matches, collates, or permits the comparison of personally identifiable information in one record system with personally identifiable information in another record system. The record systems maintained by the agency which may contain personally identifiable information are personnel files which contain information about employees, families and dependents, and applications for positions with the agency. The files include payroll records, biographical information, medical information relating to disability, performance reviews and evaluations, disciplinary information, information required for tax withholding, information concerning employee benefits, affirmative action reports, and other information concerning the employer-employee relationship. Some of this information is confidential under Iowa Code section 22.7(11).
